Allowed Claims: 3, 5-11, 13, 17-18, 20, 23-25, 27, 31-35, 37, 42-47.

Reasons For Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach the claimed combination of limitations. Specifically, with reference to independent claim 3, none of the prior art either alone or in combination disclose or teach of the claimed apparatus for avoiding ocular muscular fatigue comprising the claimed binocular light converging means comprising two optical elements, the elements converging incident light thereby reducing ocular convergence demand, and specifically further with the optical elements as base-in prisms having approximately a 0.5 base. Specifically, with reference to independent claim 20, none of the prior art either alone or in combination disclose or teach of the claimed method for reducing ocular muscular fatigue due to convergence demand comprising converging light prior to being incident on a user's eye by a pair of optical elements, and specifically further with the optical elements forming base-in prisms having approximately a 0.5 base. Specifically, with reference to independent claim 37, none of the prior art either alone or in combination disclose or teach of the claimed pair of spectacles for avoiding ocular muscular fatigue comprising a pair of convergent lenses for converging incident light thereby reducing ocular convergence demand by the user, and specifically further with the lenses as base-in lenses having approximately a 0.5 base.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
